## The Outdoor Recreation Trails Advisory Board Applicant Questionnaire

---

This questionnaire has been developed to help us learn more about you – the applicant – and what your goals and interests are through service on the Outdoor Recreation Trails Advisory Board (ORTAB). It is important to us that we select individuals with a strong desire to promote sustainable trail projects throughout the state of Alaska - for all trail users. Please take some time to thoughtfully complete these questions to help us learn about what you feel is important in managing trail resources.

1. Please describe a time when a trail has been important to you.
  
  
  
  
  
  
  
  
  
  
2. Please describe what first sparked your interest in trails.
  
  
  
  
  
  
  
  
  
  
3. What ethics do you feel are necessary when promoting healthy stewardship of trails?

4. How would you define a sustainable trail?
5. What type of user group do you think that you will best represent?
6. Given the opportunity to serve on the ORTAB, what considerations do you feel will be important when putting forth recommendations for trail projects?
7. What type of trail projects would you like to see promoted through the ORTAB?
8. Please detail an experience you have had with motorized trail use.
9. Please give an example of what you think would a viable trail safety or education project that you think you would be willing to support.

10. Given a scenario where you are asked by a local group to assist with the submission of a Recreation Trails grant application, what do you see as your obligation to them and your responsibilities of being a member on the ORTAB?

11. Please give examples of the qualities, experience, and interests you possess that reflect the region you wish to represent.

12. Please provide examples of the specialized experience and background can you bring to the ORTAB.

13. How would you like to see your role develop as an ORTAB member?  
What do you foresee gaining from the experience?
